SUMMER CAMPS

For children living in poverty life, is full of challenges and hardship. From economic disadvantages, to societal marginalisation, for these vulnerable children the prospect of summer recreation or a break from daily difficulties feels unobtainable. Many children have never experienced a holiday, let alone travelled out of their region or principality.

Summer camps are a key time for children, offering a chance to have a much needed respite from the challenges of home, the pressures of poverty or the trauma of war. At camp, children hear about the love of Jesus, have fun, make new friends and are provided with practical skills that they can apply to everyday life.

19-20

Please pray for our Summer Camps – that everything will run smoothly. (See above)

JUNE ROMANIA

25-26

Pray for Petru (13) in family A P living in Neamt County as he suffers from terminal leukaemia.

27-28

Please pray for family N from Brasov County, especially for the father and 2 of the children who have brittle bone disease and they suffer numerous fractures.

29-30

The father of family H in Alba County is very thankful to God because his prayers for his wife to be healed of sickness and depression were answered and his wife (Ioana) is well now.

“For just as the body without the spirit is dead, so faith without works is also dead.” James 2:26
